

Access for the Esplanade Area between Berkeley and Yonge

Legend

- Coned access lane
- ↔ Two-way traffic
- One-way traffic

Esplanade Area Access between Berkeley and Jarvis

- We are converting the Esplanade from Sherbourne to Princess to a two-way for both buses and vehicles. We will have a Flag crew out managing the two-way conversion and helping folks get in and out of their homes that live south of Front between Sherbourne and Berkeley
- Lake Shore remains open from DVP Lake Shore exit, Sherbourne, Jarvis (closed at Yonge St to Windermere and Carlaw to Woodbine)
- Jarvis westbound onramp to Gardiner will remain open to go west and then north on Spadina all day
- You can take Lake Shore to Don Road Way/use Saulters south to turn back north and west to northbound access to DVP
- From Sherbourne to Yonge on the Esplanade, you can head west to Yonge St and south from Yonge to Queens Quay and use Bay St. eastbound on ramp to Gardiner or Spadina north to westbound Gardiner or to head north all the way to Bloor without a road closure (Bloor closure from 7am-11am at Spadina)
