

MESSAGE FROM THE MAYOR

I would like to welcome everyone taking part in the TCS Toronto Waterfront Marathon Weekend, Toronto's biggest annual sporting event!

This year's marathon weekend brings together over 30,000 participants from over 70 countries, to take part the largest running event in Toronto's history.

The weekend includes three days of running events, including a marathon, half marathon and a 5K charity run. The charity run will host a record number of community participants, as they raise an estimated \$2.5 million for over 160 charities benefitting important causes in Toronto and throughout the GTA.

I am pleased this event, which aims to be the most sustainable race in Canada and encourages people to be healthy and active while raising funds for charity, is taking place in our city.

On behalf of Toronto City Council, best wishes to all participants for an enjoyable marathon weekend.

Yours truly,

Olivia Chow
Mayor of Toronto
