MARATHON & HALF MARATHON
SUNDAY, OCTOBER 18, 2026

The TCS Toronto Waterfront Marathon is Canada’s premier running event and the grand finale of the Canada Running Series (CRS). Since 2017, the race has served as the Athletics Canada National Marathon Championship race and has doubled as the Olympic trials.

Using innovation and organization as guiding principles, Canada Running Series stages great experiences for runners of all levels, from Canadian Olympians to recreational and charity runners. With a mission of “building community through the sport of running,” CRS is committed to making sport part of sustainable communities and the city-building process.

Last year we raised over \$1.7 million for 165 charities and this year we’re hoping to reach \$3 million!

Please read the inside of this notice to learn about the road closures in your neighbourhood and be sure to share this information with your neighbours and customers.
